We are a maintained SEN school with 201 pupils, supporting children and young people with moderate, severe and profound additional needs. We are committed to providing a safe, nurturing and inclusive environment in which every pupil is valued and supported to achieve their potential.

We are a Complex Needs School supporting pupils aged 3–19 with moderate, severe and profound learning difficulties. Every pupil is unique, with their own strengths, interests and individual learning needs. We believe that children learn best when they feel happy, safe, valued and excited about learning.

Are you a caring, enthusiastic and patient person who enjoys working with children and wants to make a real difference to their day?

As our school continues to grow, we are looking to expand our friendly and dedicated Midday Supervisory Team. We are seeking someone who is passionate about supporting vulnerable children and who can bring a calm, caring and positive approach to the role.

About the role

As a Midday Supervisory Assistant, you will play an important part in making lunchtime and playtimes safe, enjoyable and positive experiences for our pupils.

Your responsibilities will include routine MSA duties, supervising pupils during lunch and outdoor play, supporting their safety and wellbeing, and helping to create an environment where every child feels secure, included and cared for.

You will be joining a supportive team where your contribution really matters. For many of our pupils, the relationships they build with the adults around them are an important part of their school experience.

Who are we looking for?

- Warm, caring and patient, with a genuine interest in supporting children
 - Enthusiastic, reliable and committed
 - Positive and willing to get involved in school life
 - Able to work as part of a supportive and collaborative team
 - Passionate about helping children feel safe, happy and included

Previous experience of working with children with additional or complex needs would be welcomed, but a positive attitude, willingness to learn and a caring approach are just as important.

Chapel Green School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful applicant will be subject to appropriate safeguarding checks, including an enhanced DBS check.
